All Wiper items listed in catalog are available for shipment from Cascades-IFC's Brownsville, TN warehouse.

Items denoted with a **◆** are also stocked in Cascades' Waterford, NY warehouse and available for shipment with truckload orders of towel/tissue/napkins.

TERMS: Net 30 days - no C.O.D's

FREIGHT: Prepaid on minimum purchases of \$3,500. For purchases less than \$3,500, freight is prepaid and added to the invoice or shipped freight collect.

RETURNS: Any request for returned goods must be made no later than sixty (60) days from date of invoice. Product may not be returned without written authorization and must be accompanied by a return goods authorization number. All returns must be freight prepaid and require a 15% restocking charge.

LIGHT DUTY

North River® Wipers

Made from embossed brown paper engineered for greater absorbency.

Made with 100% Recycled Paper - 80% postconsumer

- For light to medium duty jobs
- Superior surface wipe dry
- Ideal for spray & wipe jobs — general maintenance cleaning
- Low cost, single-use towel
- Absorbent
- Green Seal & PCF (Processed Chlorine Free) certified

Green Seal is an independent non-profit organization dedicated to safeguarding the environment and transforming the marketplace by promoting the manufacture, purchase, and use of environmentally responsible products and services.

MEDIUM DUTY

Presto-Wipes® Airlaid

Made from mainly cellulose fibers with a latex-free binder — the cellulose is a biobased, renewable & biodegradable material.

- Highly absorbent, soft bulky wiper - holds twice its weight in liquid, grease or oil
- Superior strength
- Economical
- Great for industrial or general purpose wiping
- Versatile material — can be used in all markets: from general purpose use to foodservice (napkin) to medical (washcloth/bath towels) to automotive

HyWorx® Heavy Duty Nonwoven Towels

Made from a blend of Polyester and Rayon fibers; through a hydroentangled process with no binders.

- Maximum durability & strength
- Tear resistant
- Solvent resistant
- Absorbent
- Reusable, long-lasting performance
- Cloth-like softness
- Low linting
- Rag replacement in heavy duty industrial applications

Code	Description	Color	Size (in.)	Put-Up	Case Count	Case Cube	Case Weight	Pallet Qty	TI / HI

Like-Rags® Spunlace — Cloth Rag Replacement

Made from Woodpulp (cellulose) and Polyester fibers through a hydroentangled process that uses no binders for an extremely tough towel.

- **SAFE:** No chemical binders or resins
- **STRONG:** Super strong even wet
- **CLEAN:** Each towel is clean, usable, and always a consistent size. No holes, contaminants or corrosives from prior use that can sometimes be found with rentals.
- **ABSORBENT:** Ideal for use in grease, oil, cleaning fluids and water — will not breakdown in solvents
- **QUALITY:** Inherently low linting which minimizes defects and contamination on surface
- Ultra high tensile strength and abrasion resistance

LIKE-RAGS®

700 / 800 series

SPUNLACE HEAVY DUTY TOWELS

STRONG: Like-Rags® 800 towels are extremely strong (even wet!); yet have the bulky, soft feel of cloth — designed for durability and strength.

DURABLE: Like-Rags® 700/800 are inherently low linting and ideal for many solvent applications such as in aerospace, automotive, cleaning print presses or plates and in furniture staining processes.

ABSORBENT: Like-Rags® 700/800 are more absorbent in water, grease, oil, cleaning fluids than rental towels — and will not breakdown in solvents.

HEAVY DUTY

Spunlace - Jumbo & Centerpull Wipers

Spunlace and DRC (Double Recrepe) Jumbo/Centerpull Wipers are engineered for your important tasks and designed for work areas where high capacity is required. Designed to make wiping jobs easier and provide simple solutions to daily wiping tasks which increase productivity and make work environments more efficient. Rolls are ideal for wall mount and floorstand dispensers. *See page 5 for compatible dispenser units.

Spunlace Jumbo and Centerpull wipers are a high performance nonwoven towel engineered for use with chemical solvents and extremely durable. Ideal replacement for rental shop towels and rags.

FOODSERVICE

Busboy® & Busboy Select Foodservice Towels

A majority of Busboy Towels are made from a blend of Polyester and Rayon fibers which creates a very strong, reusable, and durable towel.

- Ideal replacement for linen rental or cloth dish towels
- Durable, absorbent & reusable
- Will not break down in sanitizing or disinfecting solutions
- Busboy Guard towels are engineered with an antimicrobial treatment which inhibits the growth of odor-causing bacteria & molds for the life of the towel
- Color-coded towel system that helps eliminate risks of cross contamination when assigning a certain towel to a specific task
- Convenient, space saving dispenser style packaging for easy dispensing and handling
- Cost savings vs. rental linen services

Restaurant Environment - Suggested areas of use:

**An easy-to-use,
Refillable Wiper & Bucket System**

Add one-half gallon of preferred solution to create a portable, easy-to-dispense, closed-lid bucket of Premoistened wipes for specific cleaning applications.

- Allows user to pour in preferred disinfectant, sanitizing, bleach or cleaning solution to create a wet wipe for hard surface cleaning
- Eliminates the need for open solutions buckets, aerosol or pump cleaning sprays & dirty rags
- Designed to be compatible with quaternary amines and can maintain the concentration levels required over a prolonged period of use
- Controls cross contamination
- Reliable, safe system
