

Hawk Glide Freedom

Revolutionary Design that Utilizes . . .

- Floating head to ensure 100% pad contact at all times
- Quick handle/carriage removal

ELKHART, IN

(GLIDE20)

(GLIDE17XHD)

The new Hawk Glide Floor Machine delivers up to 40% more performance and superior safety over traditional floor machines. Our unique WD Detachable Handle design provides 100% wheel and pad contact with the floor while incorporating forward and back movement is faster than traditional side to side method. Its ideal for use by those with little operational experienced users even more productive.

Features

- | | |
|--|---|
| <ul style="list-style-type: none"> • Quick handle-carriage removal for transport and storage • Low current draw • Thumb-operated safety switch • Negative pressure on/off switch • Dual steel operating triggers for left- or right-hand operation • One-piece, heavy duty, industrial, powder-coated, steel handle for optimum durability | <ul style="list-style-type: none"> • Welded frame for rugged, reliable performance • Non-marking, 2x8" ball bearing wheels • Variable position positive lock handle and vinyl grips for operator comfort and safety • 360-degree wraparound bumper -- no tools needed for replacement |
